

Brady Is Victor in Western Open With a Score of 291

**Oakland Hills "Pro" Outclasses Field From Start on
His Home Course; Ayton and Hutchison Tie
for Second, Ten Strokes Behind the Winner**

BIRMINGHAM, Mich., Aug. 26 (By The Associated Press).—Mike Brady, Oakland Hills professional, after trying for more than a decade to work the combination of the lock which holds open golf titles, to-day broke his way through by winning the Western open over his home course with a score of 291 for seventy-two holes—only three strokes over par on what was conceded to be one of the toughest tournaments links in the country.

Mike outlasted his field at every turn of the three days play, taking the lead the first day and sailing through

ley, N. J., who was knocking at the tenders throughout. When the caddies were asked about him they answered

with the same ease that a yacht moves before a stiff breeze.

The second place score was ten more than Mike's, Laurie Ayton, Chicago, leading the Chicago 400, while the latter collapsed on his afternoon round after having an excellent chance to beat Brady.

At the 303 mark, fourth place, was George Sargeant of Columbus while next came Emmet French, of Youngstown, with 304, and the youthful Johnny Farrell, of Mamaroneck, N. Y., who lost his chance to win by going to pieces on his second morning nine to-day. Farrell finished with 305.

Evans Leads Amateurs

Among the amateurs, Chick Evans, of Chicago, easily was the leader with 314. Chick would have been an easy second

Or, just whotter of our young Americans—forget it—who are getting ready to replace Jim Barnes, Jack Hutchison and the others whose names are golf bywords."

Ayton and French made the greatest fights of any of the players. They started with 277 and 78 and 81, respectively, for the first round, but came back on the second with 71, but once Laurie's cards were 72-73, they French's were 77-78.

The best card of the tournament was Brady's. His play on this round apparently gave him sufficient confidence to bring the victory.

The tournament lacked the international atmosphere of most Western Opens, due to the fact that Walter Hagen, Jim Barnes, Jack Hutchison and the Britons touring the country, all were tied up with exhibition work.

or third place man had he not lost control of every club in his bag this afternoon, totaling 87 for the final eighteen holes.

Brady's work outlasted that of any other player from home and away. It was his party throughout, for he got the 140 other entrants to come to his domicile and then in his own front yard proceeded to beat them to a finish.

He outdrove most of them, out-putted all of them—perhaps because of his familiarity with the undulating approach to the green again helped by greens—and showed superior in the putting, which again he helped by knowledge of when it was best to pitch and when a run-up was more likely to find the pin.

His partners in the tournament were nearly all golfers who were expected to finish near the top. One of the exceptions was Patrick Petranek, of Nut-
